*Business Etiquette and Image Consultant  
"Empowering People with Knowledge and Confidence"*

## Team Building Art Project Workshop

*Facilitator- Janet Waters, Artist and Educator*

Develop and accomplish minor and major goals by teaching people how to work together. Build and create those successful teams your organization desires and have fun during the process.

Adults forget the importance of teamwork and how being part of a team can be fun and productive. This workshop will build important skills through art that will not only build a team, but will build confidence and the desire to achieve.

## Other Classes Recommended

Short Story Writing Team Building Workshop

Most workshops are 2-6 hours,  
with some being offered in 2-parts.

**Facilitators are available as Guest Speakers.**

"Private Sessions are Available for Select Workshops"
